

# **Meet Ricky....**

**this darling young boy is ready to be adopted!!!**

**This sweet young male cat is currently homeless and in search of a loving family to call his own. He is about 8 or 9 months old and I believe he has been living on his own all his life...and would make a wonderful companion and friend.**

**He has been wandering around my neighborhood for the past four months in search of food and shelter and would love to have a home to settle into before winter arrives. He is friendly, sweet and approachable.**
