

Meet "Indira"

she's ready to be adopted!!!

This beautiful gentle girl is in need of a new home. Here's her story:

"Indira" is an 8 year old Chow mix who was abandoned when her owners moved away, leaving her tied to a tree. The police were called and she was brought to the shelter here in Silver City four weeks ago. She is as kind as she is lovely.

She dreams to connect soon to a loving family who she can live out her golden years with in safety and happiness. She would be most grateful to have a few gentle walks each day, a warm bed and a home to call her own.
